Test Assignment

Background:

We are looking to create a new upsell page for one of our products. The graphic designer has created a UI/UX design using Figma.

We need you to create a working webpage that we can visit with a public URL, that is pixel perfect to the design we provide in Figma below.

Instructions:

1. **Recreate the Figma design with your software of choice.** Link to Figma: [Click Here](#)
2. **You may use any software or page builder you want to recreate the design**
3. **Design must also be mobile formatted**
4. **Reply to the email that sent you the test assignment with a working link that anyone can view your webpage**
